

Georgia

**Community Speech Pathologist
QLD**

Georgia is a caring Speech Pathologist who's passionate about helping children and adults communicate and eat safely with confidence.

Georgia is a Speech Pathologist who graduated from Australian Catholic University in 2024. Through her diverse university placements, Georgia has gained valuable experience working across hospital, school, aged care, and community settings.

She has supported both paediatric and adult clients, including children with speech and language delays and disorders, and adults presenting with aphasia, dysarthria, dysphagia, Parkinson's disease, and dementia.

She prides herself on her adaptability and client-centred approach, tailoring therapy to meet each individual's communication needs and engagement level. With a strong focus on problem-solving and accuracy, she ensures all client documentation, progress notes, and reports are thorough and detailed.

Special Interest Areas

- Georgia has a particular interest in paediatric speech sound disorders and adult dysphagia.
