

Jiatong

**Occupational Therapist
QLD**

Meet Jiatong, an OT who loves supporting adults to live safely and confidently at home through rehabilitation and home modifications.

Jiatong is an Occupational Therapist who has completed placements in both community and acute settings, including Metro South Rehab@Home and QEII Hospital, gaining experience in adult rehabilitation and home modifications.

Jiatong is highly adaptable and thrives in multidisciplinary teams, applying her skills to support clients in achieving independence and improving daily functioning. She is fluent in English and Mandarin, allowing her to connect with a diverse range of clients.

Outside of work, Jiatong enjoys handcrafts and creative activities in her leisure time.

Special Interest Areas

- Adult rehabilitation
- Home modifications
- Supporting independence and daily functioning in adults
