

Joey

**Physiotherapist
QLD**

Joey is a Physiotherapist passionate about helping clients regain strength, mobility, and independence, with experience across musculoskeletal, orthopaedic, and community rehabilitation.

Joey is a Physiotherapist who has completed placements across a variety of clinical settings, including neuro rehabilitation, cardiorespiratory physiotherapy, orthopaedics, musculoskeletal outpatient care, community physiotherapy, and private practice.

Joey has a particular interest in musculoskeletal and orthopaedic rehabilitation, helping clients recover from injury and regain strength, mobility, and function. He also brings experience working as a support worker for individuals with disabilities, demonstrating his dedication to person-centred care.

Outside of work, Joey enjoys surfing and has a background as a professional rugby union player, reflecting his passion for sport and physical activity.
