

Madeline

**Physiotherapist
QLD**

Madeline is a Physiotherapist passionate about supporting children, athletes, and individuals recovering from injury to regain function, confidence, and independence.

Madeline is a Physiotherapist who has completed placements at QEII Hospital, John Flynn Hospital, Griffith Health Clinic, Pindara Private Hospital, and Beenleigh Community Rehab, gaining experience across paediatrics, persistent pain management, sports injuries, and rehabilitation.

Madeline has a strong interest in supporting children, athletes, and individuals managing chronic or complex conditions, helping them regain function, confidence, and independence. She has been actively involved in community initiatives, including volunteering with Variety Australia and coaching basketball and netball teams.
